

## New Members Welcome

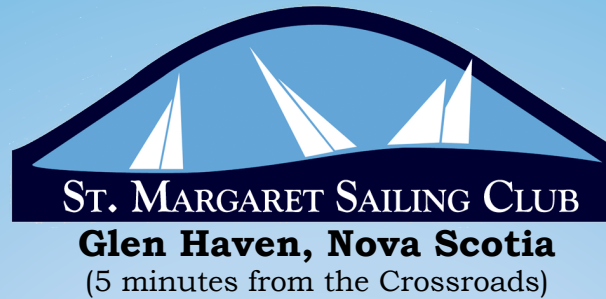

St. Margaret Sailing Club (SMSC) is all about enjoying time on St. Margaret's Bay, either on the water or socializing at our waterfront property.

Come one and all to our beautiful clubhouse on the water. Meet neighbours and friends at weekly BBQs and themed social events year-round; crew on boats during summer sailboat races. It all happens at SMSC!

With membership rates starting at \$150, besides being a great community to be part of, SMSC is also a great value.
